

## **BWF Awards 2023**

**Friday 24th November - The Langham, London**

The BWF Annual Awards and Dinner is an evening dedicated to celebrating success in the woodworking and joinery manufacturing sector and shining a light on the great talent we have to offer.

All award categories offer a showcase for the sector's best projects, products, processes and people.

This year we will be celebrating the 15th BWF Annual Awards in the highly prestigious hotel The Langham, London. Recognised as Europe's first 'Grand Hotel', we look forward to an evening of celebrating our industry in true style.
